Please note that post only reaches the above address on Business Days in Sydney, Australia. A proxy will be admitted to the Meeting and given a voting card upon providing written evidence of their name and address at the point of entry to the Meeting. The return of a completed Proxy Form will not preclude a Shareholder from attending in person and voting at the Meeting.

1.6 **Voting by attorney**

An attorney of any Shareholder entitled to attend and vote at the Meeting may attend the Meeting, and vote on that Shareholder's behalf.

If a Shareholder wishes to vote by attorney at the Meeting, that Shareholder must, if they have not already done so, deliver the original, or a certified copy, of the power of attorney by the methods specified in Section 1.5 so that it is received before the Meeting commences or, alternatively, ensure the power of attorney is brought to the Meeting and presented at the point of entry to the Meeting.

2 Explanatory Notes

These explanatory notes have been prepared for the information of Shareholders in connection with the business to be transacted at the Meeting.

2.1 Agenda Item 4 – Enhanced Placement Capacity

(a) ASX Listing Rule 7.1A

ASX Listing Rule 7.1A enables eligible entities to issue shares up to 10% of their issued share capital through placements over a 12 month period after the annual general meeting (**Enhanced Placement Capacity**). This Enhanced Placement Capacity is in addition to the eligible entity's 15% placement capacity under ASX Listing Rule 7.1.

The Company is an eligible entity for the purposes of ASX Listing Rule 7.1A. The Company has a market capitalisation of less than A\$300 million and is not included in the S&P ASX 300 Index.

The Agenda Item 4 Resolution is a special resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

If approved, the effect of this Resolution will be to allow the Company to issue Shares under ASX Listing Rule 7.1A during the Enhanced Placement Period (defined in Section 2.1(d) below) in addition to the Company's 15% placement capacity under ASX Listing Rule 7.1 (**15% Placement Capacity**).

(b) Calculation of the Enhanced Placement Capacity

The exact number of Shares to be issued under the Enhanced Placement Capacity will be determined in accordance with the formula prescribed in ASX Listing Rule 7.1A.2, which is reproduced below:

$$(A \times D) - E$$

A = Has the same meaning as in rule 7.1.

D = 10%

E = The number of *equity securities issued or agreed to be issued under rule 7.1A.2 in the 12 months before the *issue date or date of agreement to issue that are *not* issued with the approval of holders of *ordinary securities under rule 7.1 or 7.4.

At the date of this Notice of Meeting, the Company has on issue 46,041,025 Shares and therefore has a capacity to issue:

- (i) 6,906,153 Shares under the 15% Placement Capacity; and
- (ii) subject to Shareholder approval under this Resolution, 4,604,102 Shares under the Enhanced Placement Capacity.

The actual number of Shares that the Company will have capacity to issue under the Enhanced Placement Capacity will be calculated at the date of issue of the Shares in accordance with the formula prescribed in ASX Listing Rule 7.1A.2.

(c) Minimum issue price

The issue price of Shares issued under the Enhanced Placement Capacity will not be less than 75% of the volume weighted average price of shares in the same class calculated over the 15 trading days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Shares are to be issued is agreed; or
- (ii) if the Shares are not issued within 5 trading days of the date in Section 2.1(c)(i) above, the date on which the Shares are issued.

(d) Enhanced Placement Period

Shareholder approval of the Enhanced Placement Capacity is valid, and Shares will only be issued under the Enhanced Placement Capacity, from the date of the annual general meeting at which the approval is obtained and expires on the earlier to occur of:

- (i) the date that is 12 months after the date of the annual general meeting at which the approval is obtained; or
- (ii) the date of the approval by Shareholders of a transaction under ASX Listing Rule 11.1.2 (a significant change to the nature or scale of activities) or ASX Listing Rule 11.2 (disposal of main undertaking),

(Enhanced Placement Period).

Accordingly, if this Resolution is passed, the Company's Enhanced Placement Period commences on 26 November 2018 (being the date of the Meeting) and ends on 26 November 2019.

(e) Dilution of existing shareholders

(i) *Dilution risks*

If this Resolution is approved by Shareholders and the Company issues Shares under the Enhanced Placement Capacity, the voting power of existing Shareholders in the Company will be diluted as shown in the table in Section 2.1(e)(iii).

(ii) *Economic risks*

(A) There is a risk that:

- (I) the market price of the Shares may be significantly lower on the date of the issue of the Shares than on the date of the Meeting; and
- (II) the Shares may be issued at a price that is at a discount to the market price of the Shares on the issue date;

(B) If Shares are issued at a discount to the net tangible asset value per Share (**NTA**) there may be a negative impact on NTA.

(iii) *Potential dilution of existing Shareholders*

The table below shows the dilution of existing Shareholders on the basis of the current market price of Shares and the current number of Shares for variable "A" calculated in accordance with the formula in ASX Listing Rule 7.1.2 as at the date of this Notice of Meeting. The table also shows:

- (A) two examples where variable "A" has increased, by 50% and 100%. Variable "A" is based on the number of Shares the Company has on issue. The number of Shares on issue may increase as a result of issues of Shares that do not require Shareholder approval, or future specific

placements under ASX Listing Rule 7.1 that are approved at future meetings of Shareholders; and

- (B) two examples of where the issue price of Shares has decreased by 50% and increased by 100% as against the current market price.

Variable 'A' in ASX Listing Rule 7.1A.2		Dilution		
		A\$0.50 50% decrease in issue price	A\$1.00 Issue price	A\$2.00 100% increase in issue price
Current variable A 46,041,025 Shares	10% voting dilution	4,604,102 Shares	4,604,102 Shares	4,604,102 Shares
	Funds raised	A\$2,302,051	A\$4,604,102	A\$9,208,204
50% increase in current variable A 69,061,537 Shares	10% voting dilution	6,906,153 Shares	6,906,153 Shares	6,906,153 Shares
	Funds raised	A\$3,453,076.50	A\$6,906,153	A\$13,812,306
100% increase in current variable A 92,082,050 Shares	10% voting dilution	9,208,205 Shares	9,208,205 Shares	9,208,205 Shares
	Funds raised	A\$4,604,102.50	A\$9,208,205	A\$18,416,410

Note: The table has been prepared on the following assumptions:

- The Company issues the maximum number of Shares available under the Enhanced Placement Capacity.
- The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
- The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the Enhanced Placement Capacity, based on that Shareholder's holding at the date of the Meeting.
- The table shows only the effect of issues of Shares under ASX Listing Rule 7.1A, not under the 15% Placement Capacity under ASX Listing Rule 7.1.
- The issue price is A\$1.00 per Share, being the closing price of the Shares on ASX on 15 October 2018.

(f) Specific information required by ASX Listing Rule 7.3A

Pursuant to and in accordance with ASX Listing Rule 7.3A, information is provided in relation to the approval of the Enhanced Placement Capacity as follows:

- (i) The Company may issue Shares under the Enhanced Placement Capacity in order to provide additional funding to support the Company's activities, to strengthen the Company's balance sheet, for investment activities providing further portfolio diversification and/or to fund general working capital. Shares may be issued for non-cash consideration. Where the Company issues securities for non-cash consideration, the Company will provide a valuation of the non-cash consideration as required by ASX Listing Rule 7.1A.3.

- (ii) The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the Enhanced Placement Capacity. The identity of the allottees of Shares will be determined on a case-by-case basis having regard to factors including but not limited to the following:
- (A) the methods of raising funds that are available to the Company, including but not limited to, rights issue or other issue in which existing Shareholders can participate;
 - (B) the effect of the issue of the Shares on the control of the Company;
 - (C) the financial situation and solvency of the Company; and
 - (D) advice from its professional advisers, including corporate, financial and broking advisers (if applicable).
- (iii) The allottees under the Enhanced Placement Capacity have not been determined as at the date of this Notice of Meeting but may include existing substantial Shareholders and/or new Shareholders who are not related parties or associates of a related party of the Company.

(vi) A voting exclusion statement is included in this Notice of Meeting. As at the date of this Notice of Meeting, the Company has not approached any particular existing Shareholder or security holder or an identifiable class of existing security holder to participate in the issue of the Shares under the Enhanced Placement Capacity. Therefore, no existing Shareholder's votes will be excluded under the voting exclusion in the Notice of Meeting.

(g) Directors' recommendation

The Directors of the Company believe that the transactions contemplated by this Resolution are in the best interests of the Company and unanimously recommend that Shareholders vote in favour of this Resolution. Other than as Shareholders of the Company, none of the Directors has an interest in the outcome of this Resolution.

2.2 **Agenda Item 5 – Share Buyback Program**

(a) Background

The Company is seeking authority to implement an on-market buyback of up to 10,000,000 Shares in the manner outlined in this Section 2.2 (**Share Buyback Program**)

The Corporations Act authorises a listed company to buyback its own shares on market if the buyback does not materially prejudice the company's ability to pay its creditors and it follows the procedures set out in the Corporations Act.

Shareholder approval is required if all of the shares bought back in the last 12 months, and the shares that will be bought back if the proposed buyback is made, is in aggregate more than 10% of the minimum number of shares on issue at any time during the last 12 months. The limit after which a company requires shareholder approval for a buyback is called the **10/12 limit**.

At the date of this Notice of Meeting, the Company is able to acquire 4,604,102 Shares without Shareholder approval. The Company wishes to be able to buy back a total of 10,000,000 Shares on market, which is 5,395,898 more Shares than it is permitted to do under the 10/12 limit, and accordingly seeks Shareholder approval for the Share Buyback Program.

(b) Reasons for the Share Buyback Program

The Share Buyback Program offers an opportunity:

- (i) to return capital to Shareholders, as would be contemplated by a closed end fund; and
- (ii) to better match recurrent earnings with capital employed.

It is also an efficient use of capital when Shares trade at a discount to inherent net asset value of the Company. The 10 day volume weighted average price (**VWAP**) of the Shares for the period expiring on 15 October 2018 trades at a 5.2% discount to the Company's dividend adjusted reported net asset value (as at 31 August 2018).

(c) Details of the Share Buyback Program

The key details of the proposed Share Buyback Program are as follows:

- (i) **Price range:** The Company will, in its discretion, offer to buy back Shares on market at a price determined by the Company subject to the ASX Listing Rules. The ASX Listing Rules impose a moving cap on the price the Company may pay for the Shares of 5% above the average market price per Share for the 5 days on which trades were recorded before the day on which the purchase under the buyback was made.
- (ii) **Maximum number of Shares:** The maximum number of Shares to be bought back is 10,000,000 Shares. The maximum number of Shares to be bought back represents approximately 21.7% of the Company's total issued share capital of 46,041,025 Shares at the date of this Notice of Meeting.

(d) Advantages of the Share Buyback Program

The key advantages of the Share Buyback Program are as follows:

- (i) It will provide liquidity to the Shares. There is a limited market for the Shares on ASX. The Share Buyback Program gives Shareholders an increased ability to exit their investment in the Company should they wish to do so;
- (ii) It allows for an efficient use of surplus capital in a market where finding suitable investments is proving difficult; and
- (iii) It will provide increased price competition for Shares.

(e) Disadvantage of the Share Buyback Program

The key disadvantage of the Share Buyback Program is that it reduces the cash balance of the Company. If the maximum number of Shares is bought back by the Company, the Company's cash balance would be reduced by approximately A\$10,000,000 (using the 15 October 2018 closing share price of A\$1.00 as an indication of the average price at which Shares may be bought back). The cash balance of EDC as at 30 June 2018 totalled A\$10,209,431. This cash balance does not reflect investments made and realised subsequent to 30 June 2018.

(f) Funding for the Share Buyback Program

The Share Buyback Program will be funded from the Company's cash reserves. The Directors do not believe that the Share Buyback Program will materially prejudice the Company's ability to pay its creditors.

(g) Effect of the Share Buyback Program on the capital structure of the Company

The Directors do not anticipate that the Share Buyback Program will have any material effect on the ownership spread of Shares or result in any party gaining control of the Company.

(h) Consequence if this Resolution is not passed

If this Resolution is not passed, the Company intends to buyback on market the maximum number of Shares permitted under the 10/12 limit without Shareholder approval.

(i) Directors' recommendation

The Directors unanimously recommend that Shareholders vote in favour of this Resolution. Other than as Shareholders of the Company, none of the Directors has an interest in the outcome of this Resolution.

How to Vote on Items of Business

All your securities will be voted in accordance with your directions.

Appointment of Proxy

Voting 100% of your holding: Direct your proxy how to vote by marking one of the boxes opposite each item of business. If you do not mark a box your proxy may vote or abstain as they choose (to the extent permitted by law). If you mark more than one box on an item your vote will be invalid on that item.

Voting a portion of your holding: Indicate a portion of your voting rights by inserting the percentage or number of securities you wish to vote in the For, Against or Abstain box or boxes. The sum of the votes cast must not exceed your voting entitlement or 100%.

Appointing a second proxy: You are entitled to appoint up to two proxies to attend the meeting and vote on a poll. If you appoint two proxies you must specify the percentage of votes or number of securities for each proxy, otherwise each proxy may exercise half of the votes. When appointing a second proxy write both names and the percentage of votes or number of securities for each in Step 1 overleaf.

A proxy need not be a securityholder of the Company.

Signing Instructions for Postal Forms

Individual: Where the holding is in one name, the securityholder must sign.

Joint Holding: Where the holding is in more than one name, all of the securityholders should sign.

Power of Attorney: If you have not already lodged the Power of Attorney with the registry, please attach a certified photocopy of the Power of Attorney to this form when you return it.

Companies: Where the company has a Sole Director who is also the Sole Company Secretary, this form must be signed by that person. If the company (pursuant to section 204A of the Corporations Act 2001) does not have a Company Secretary, a Sole Director can also sign alone. Otherwise this form must be signed by a Director jointly with either another Director or a Company Secretary. Please sign in the appropriate place to indicate the office held. Delete titles as applicable.

Bring this form to assist registration. If a representative of a corporate securityholder or proxy is to attend the meeting you will need to provide the appropriate "Certificate of Appointment of Corporate Representative" prior to admission. A form of the certificate may be obtained from Computershare or online at www.investorcentre.com under the help tab, "Printable Forms".
